I don't know who receives these notifications in our region. Forwarding to my supervisor Matt Salazar for his input or to pass along to others for further inquiry (or he may ask me to do that – he's on leave today).

Notes:

- Because I was also previously curious as to where these went, I recently submitted an email inquiry to that same mailbox asking who in Region 9 gets these. No response to that inquiry yet. Web page: <https://www.epa.gov/controlling-air-pollution-oil-and-natural-gas-industry/implementation-oil-and-natural-gas-air>
- Also, for what it's worth, the OOOOA "small entity compliance guide" is both incorrect and out of date in regards to Region 9: <https://www.epa.gov/sites/production/files/2016-08/documents/2016-compliance-guide-oil-natural-gas-emissions.pdf>
  - Page 66 (pdf page 68), incorrect (2 s's instead of one in my name): "Region 9 – David Bassinger at [bassinger.david@epa.gov](mailto:bassinger.david@epa.gov)" should be "Region 9 – David Basinger at [basinger.david@epa.gov](mailto:basinger.david@epa.gov)"
  - Page 69 (pdf page 71), out of date: "Region 9 – Daniel Reich at [reich.daniel@epa.gov](mailto:reich.daniel@epa.gov)" – Dan retired in March 2017.

I am trying to find out who in your region receives the well completion notification which are sent to the well completion mailboxes as follows. We need this to close out a FOIA and we believe some o/o might have sent annual compliance reports to the well completion mailboxes in error. We know this happened, for ex. In R6. Thanks in advance!
